

# MINISTRY OF HEALTH NATIONAL INSTITUTE FOR MEDICAL RESEARCH (NIMR)

## 32nd Annual Joint Scientific Conference CALL FOR ABSTRACTS

The National Institute for Medical Research (NIMR) has been organizing Annual Joint Scientific Conferences (AJSC) since 1982 as part of its mandates to coordinate dissemination of health research findings in Tanzania. The forum provides an opportunity for interested parties within and outside Tanzania to share and discuss health research results contributing to policy development and improving practice. This year's Conference will be held **at the Julius Nyerere International Convention Centre (JNICC), Dar es Salaam** from **14<sup>th</sup> to 16<sup>th</sup> May 2024**. The AJSC scientific committee is pleased to invite researchers, academicians, and practitioners to submit abstracts and symposia for presentations.

### CONFERENCE MAIN THEME

*Advancing Research and Development for Improving Health Services*

### SUB-THEMES:

1. Communicable diseases including (re-) emerging and neglected tropical diseases.
2. Non-communicable diseases.
3. Health systems strengthening, innovation and technological advancement.
4. Reproductive, maternal, newborn, child and adolescent health (RMNCAH)
5. Multi-sectoral and community engagement in disease prevention and control.
